

CHRISTOPHORUS MEDIAKIT 2026

CHRISTOPHORUS

THE PORSCHE MAGAZINE

The name stands for the patron saint of travellers – and because the Porsche customer magazine has always been more than just a car magazine, the title reflects everything you can enjoy in this world. The most **exclusive destinations**, the **best hotels**, the **most interesting** people, the most beautiful routes – and, **of course, driving a Porsche**. And the journalistic concept with the best authors from all areas obviously meets the taste of the readers.

Christophorus, which has been around since 1952, is one of the most renowned and longest-running customer magazines in the world. The Porsche importers or centres buy the Porsche magazine as a customer loyalty tool for their (predominantly) new car customers. They receive the Christophorus as a service from their **Porsche** importer/centre personally **addressed in an envelope to their home**.

Keyfacts:

- Year founded: 1952
- Publisher: Dr Ing. h.c. F. Porsche AG
- Language versions: 13
- Scope: 90 - 116 pages

CHRISTOPHORUS

UNSERE LESERSCHAFT

Success, quality, performance, emotions and the demand for something special – Christophorus is **guided by these principles**. Christophorus readers are predominantly male, have considerable incomes and therefore the highest **financial possibilities**. They are well-educated, professionally successful and keen consumers. They value luxury and an exclusive lifestyle.

Target group:

- **88%** men
- **73%** are between 30 and 59 years old
- **88%** readers are entrepreneurs, managing directors, freelancers, executives or self-employed persons
- Christophorus readers have an average net household income of **€14,000** per month (in Germany)

TECHNICAL REQUIREMENTS

Document formats

- Bleed advertisements must be net format plus extra bleed trim.
- Full-page net format is a width of 215 mm and a height of 280 mm plus 4 mm trim on all sides
- Please make sure that added crop marks do not extend into the bleed area.

Data format

- PDF according to the X1a-standard with output profile ISO Coated v2 300% (ECI).

Colour space

- Please convert your image data with the profile ISO Coated v2 maximum 300% (ECI) to CMYK.
- The total colour application in the PDF must not exceed 300%, otherwise this will lead to drying problems after printing. You can find this profile here:http://www.eci.org/_media/downloads/icc_profiles_from_eci/eci_0!set_2009.zip

Proof

- A colour-accurate proof in accordance with ISO Coated v2, maximum 300% (ECI) (Fogra 39) with an evaluated Ugra/Fogra media wedge is required.
- Please send data carriers and colour proofs to: Delius Klasing Verlag, Siekerwall 21, DE- 33602 Bielefeld, Mrs Miele.
- Please note that complaints due to incorrect data or missing proofs cannot be recognised. For technical questions please contact: Delius Klasing

A silver Porsche Panamera is shown from a rear three-quarter view, driving on a two-lane asphalt road that curves through a lush, green landscape. The scene is captured during the "golden hour" of sunset, with a warm, orange glow in the sky and long shadows cast across the road. The car's rear features, including the taillights and the "PORSCHE" badge, are clearly visible. The license plate reads "S:ZT 911".
